REFLECTIONS

Steve,

Well, O'm not a royal subject or as humble servant, but just a good kind. Its many years having you and O know many more are in store. Stay as cuff as you are and never lose your sense of humor. O'm really not mad at you although O hope to see you this summer. Well, that's all.

Love,

the last
name's
Lukacs)

s. Well, now you can you want a age and O'll try to do it, but O'm afraid O'm not going to make it. really have to decision you long enough to with that much, but this ime O have known you has been warding. Remember the Eisenhower ootball game? Sorry you didn't ppreciate my yelling in your ear.

Kenq,

This year has really been a riot! We have really had a lot of fun together at Homecoming, Intersorority, etc. O know neither of us will forget cute Mr. Booker's class and all the fun we had in there. Do you think it is possible to get an A from him???

This summer should really be a riot with the pool and the picnics. O hope we can always be best of friends no matter what happens. O know your kingdom will continue to grow, but don't ever forget your first loyal subjects!!

Good luck always to one of the greatest guys O know.

Love
Patty

REFLECTION ON ACADEMICS

MHS WHS

Steve,

I'll think you're as great as I did before. I'm so glad that we have been friends through I value our friendship so all these years, because much. We've had alot of good times since junior high and I hope there will be many more. I hope I'll see you just as much as I did last summer because I didn't see you much during this school year. Maybe next year we'll get into more classes ~~next year~~ together. (That didn't make much sense) Really, Steve, best of luck because you are a real sweet guy. I hope we'll always be good friends.

REFLECTIONS

FROM OUR PRINCIPAL

Steve,
Well, dad we've had quite a good time this year. It's been one big riot knowing you. You're real cool, for my old man, and you've got a lot going for you. Be good & I'll see ya this summer.
your Son
Jerry Burgess

In the dynamic world of today, education has become more important than ever before. At no time in history has there been such a demand for young people with knowledge and a sense of responsibility who can think, plan, and act intelligently.

The experiences and activities at MacArthur High School have been designed to help you meet this challenge. Your educational experiences leading to this moment, however, have been only a beginning. You have learned much but there remains even more to be mastered. Seek opportunities to improve your mind and your attitudes. No matter where you may be or what you may be doing, try to learn more each day of your life.

To you, our graduates of 1963, as you face your future responsibilities with courage and faith, as we know you will; we hope your experiences at MacArthur High School will be a foundation upon which you can and will build for the future. Our prayers and best wishes go with you.

Good luck to our Class of 1963!

GUIDANCE

Choosing a career, planning a college program, and obtaining employment are only three of the many decisions Mac's trained counselors advise their students in. During the course of a year, they also gather and record all information necessary to complete each student's permanent record.

The Guidance Department's duties are many, but its goals are important in giving each student an opportunity to make the most of his life in the future. (Full time counselors are shown on this page. The following people are shown with their academic department: Mr. Caudle, Mrs. Grundler, Mr. Rosser, Mr. Stewart)

ENGLISH

English is a four year compulsory course at MacArthur. Through a balanced program of study, grammar and literature are combined to improve each student's speaking and writing habits.

During the last five years Mac has supported an accelerated English program. Students are chosen by their junior high English grades and enter the class as freshmen.

The first year these students are given the material comparable to regular freshmen and sophomore classes. The second year is devoted to American Literature, the third to English Literature, and the fourth to college preparatory work.

This year's senior class will be the second to complete the full four years of the program. Students, as well as teachers, believe it has proven itself a success.

HELPS PREPARE FOR FUTURE

SOCIAL STUDIES

Most students at MacArthur follow a three or four year curriculum of Social Studies. The purpose of these classes is to instill in the students an understanding of the past while helping them find their places in the future.

Magazines, newspapers, pamphlets, lectures, movies, and trips are all important devices used in conducting these classes.

The Social Problems classes are given one day each year for conducted field trips relating to social problems. This year's trips gave the students an opportunity to visit Hull House and the Cook County Police Department, Jacksonville State Mental Hospital and Lincoln, or Dwight Women's prison and Lincoln.

BUSINESS

MacArthur offers a variety of commercial subjects to its students. Among these are Basic Business, Bookkeeping, Business Law, Shorthand, Typing, and Salesmanship.

In addition to these classes, students are given the opportunity for on-the-job-training through the Office Occupations and Diversified Education programs backed by local businesses.

Several clubs are sponsored by the Business Department and participate in many school activities.

SCIENCE

Science at MacArthur, as well as in the rest of the world, has become one of the leading fields of learning.

Mac students are required to have at least one year of science for graduation, but all students showing interest and ability are encouraged to further their scientific education by taking courses in Physics, Chemistry, Zoology or Air and Earth Science.

MATHEMATICS

Even though only one year of mathematics is required, many students include three or four years of math in their curriculum. The courses offered range from general math to college algebra.

The Mathematics Department supplements the study of math, geometry, algebra, and trigonometry with figures, graphs, and demonstrations. However, the accomplished instructors are more valuable than any other teaching device.

Students, previously graduated, have expressed their appreciation for the fine background they acquired from their instructors.

LANGUAGE

In addition to the traditional foreign languages of French, Spanish, German, and Latin taught in most high schools, MacArthur has offered Russian to its students for the first time this year.

An ability to speak several languages has become an important necessity in our world today.

Also, new this year is the language laboratory. Tapes recorded by natives enable each student to converse directly in the language he is studying.

PREPARATION FOR A MORE DEMANDING FUTURE

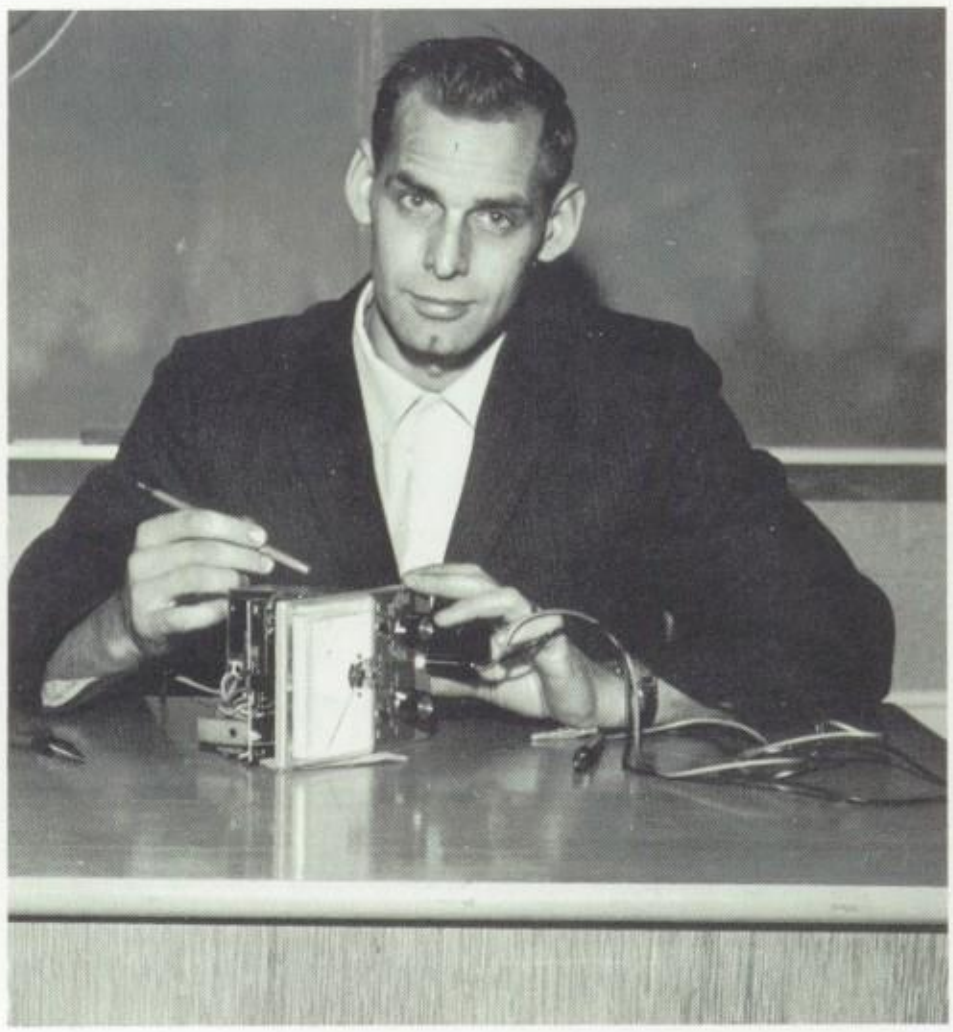
The Art Department is only one of the many means of student-self-expression available at Mac. The art showcase displays the talents and achievements of those who participate in the art classes.

During assemblies and programs, students have the opportunity to enjoy the accomplishments of the vocal and instrumental music groups. The Music Department also offers courses in music theory and music appreciation.

The library staff keeps Mac's well-supplied library functioning for every student. One is very fortunate to have immediate access to the facilities of a modern library.

The fourth hour Honor Study Hall can verify the accomplishments of the cooking class. Pleasant aromas indicate the practical experience gained by home economics students. Family living, child care, sewing, and cooking classes provide valuable training for Mac students.

Previously the Industrial Arts Department has been all male students, but in the last two years several girls have discovered how interesting drafting can be. The Industrial Arts Club gives students a chance to carry their interests outside the classroom into club projects.



I'm certain it all fits together some way.

PHYSICAL EDUCATION AND SPECIAL SERVICES

What would students do without gym classes? Probably have fewer sore muscles and not so many bruises. Many good times plus lasting acquaintances form in P.E. classes.

The variety of skills taught help stress the need for physical fitness. Exercise is necessary for good health and a strong body. The Physical Education Department plays a necessary part in the student's school activities.

Mr. Wachter heads the Special Education Department. The existence of the department illustrates the attempt made at MacArthur to give equal opportunities to all students. Mr. Wachter is assisted by Mrs. Stroup.

In the driver training classes, responsibility and courtesy are two key words. Even though the Illinois driving laws are studied, many times quick thinking and good common sense are required to avoid a serious accident. In the driver education classes, learning the parts of the motor seems to be the stumbling block for many girls. Getting one's driver's license is most important to students, and the Driver Education Department trys to prepare each student for the privilege.

MAC WELCOMES

Jim, Keigo's American brother, receives judo lessons from Keigo.

Keigo exhibiting his native costume.

da-da-da-da-da-da Charge!

Our American Field Service student from Sakai, Japan this year is Keigo Ogata. He is living with the Dollahan family. Keigo enjoys all sports, especially volleyball, and judo. He is a member of the Concert Band, Radio Club, A.F.S. Club, Student Council, and Senior Class Council. He also likes music and reading. Keigo always has a smile for everyone, and has contributed much to MacArthur.

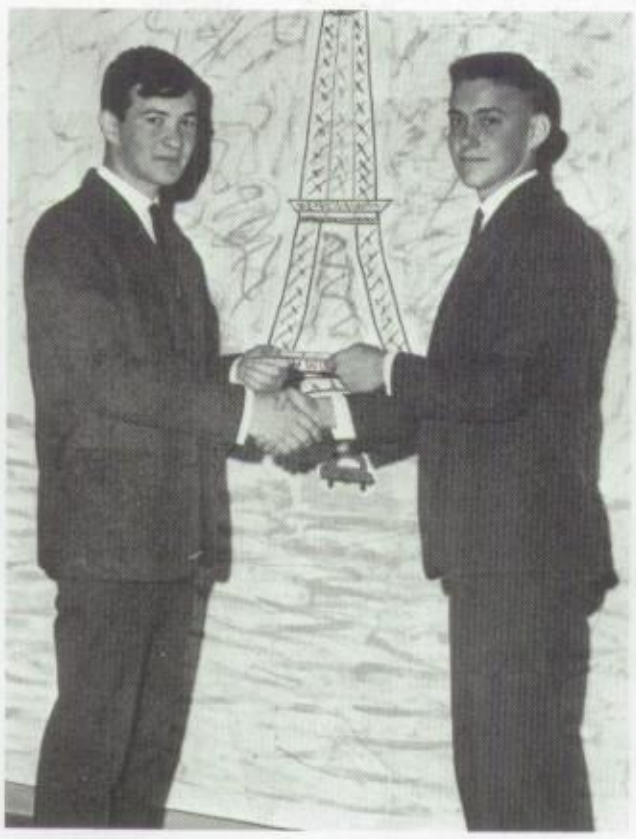
Philippe Durand, our exchange student from France, is living with the Foley family. Phil is a member of the A.F.S. Club, French Club, Student Council, and "A" Choir. He likes to play the piano and the organ. Much of his spare time is also spent reading. Phil's unique sense of humor is liked by all.

You didn't think I could do it, did you?

Great interest was shown in the foreign exchange program by the student body. Many organizations, including the Student Council, the Cadet Staff, the Senior Class, and the Monitor staff presented gifts to Keigo and Phil during the assembly.



KICKOFF

Lynn Clarkson, MacArthur's A.F.S. returnee from Chile.

The A.F.S. Tea

A.F.S. finalists must be outgoing young people with the ability to easily adapt to new situations.

This year there were eighteen juniors who tried out. They had to write and read impromptu themes concerning A.F.S. The semi-finalists were then chosen. These semi-finalists formed a receiving line at a tea held in their honor. Afterwards, they answered more questions during a panel discussion.

Our four finalists were soon chosen, but their work was not done. They spent a busy weekend filling out application forms and writing themes for the New York A.F.S. office. This office will make the final selection, based upon its ability to place a student in a foreign home.

Yes, competition was keen and we want to congratulate our four finalists!

MacArthur's four A.F.S. finalists are John Cobb, Kaye Lamar, Sue Miller, and Jim Dollahan.

HOMECOMING

Homecoming 1962 was an event that will stand out in the memories of all. Long hours were spent building floats, preparing skits, working on committees, and making sure everything was ready for the big day.

Mac's Homecoming-Chairmen

FESTIVITIES

Amidst screams, laughs and cheers, the Homecoming Assembly opened. Skits proved to be a humorous topic for the day's fun, and pep talks raised hopes for victory to new heights. Climaxing the assembly was the beautiful coronation ceremony.

Homecoming High Lights

A brilliant display of fireworks started enthusiasm bubbling at our Homecoming game. At half-time winning floats and cars were announced. The ambitious class of '65 took top honors again this year.

Excited Generals cheered in hopes that our team would be victorious; they were rewarded as the Mighty Generals excelled over the Springfield Senators.

The festive mood continued as we attended the dance "Excellence Tonight" and whirled to music by Wayne Karr. The evening slowly drew to a close as happy couples drifted off the dance floor. Yes, Homecoming '62 will remain in every heart.

The MacArthur football team had an excellent season with an 8—1 record. After being nipped by Stephen Decatur in their opening game, they were undefeated. Five boys were chosen for the All-City Team and one boy was chosen for the All-State Team, so Mac really had talent on the field. Coach Matheson and Coach Lanman did a terrific job in spurring them on to victory.

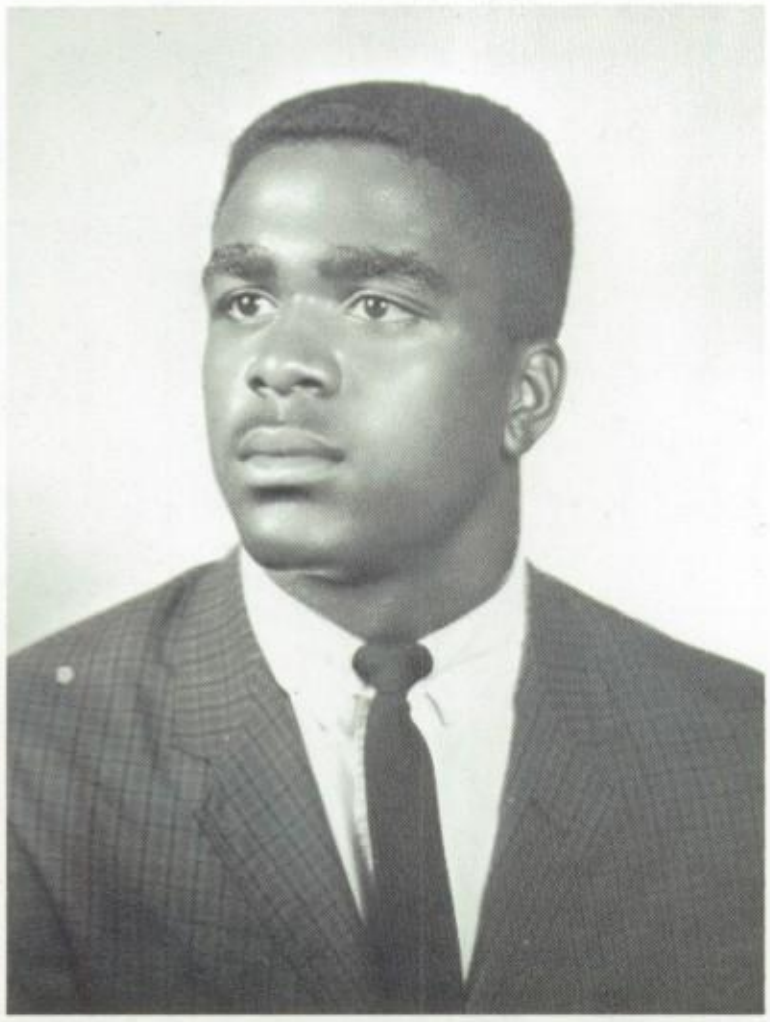
AND ALL-AMERICAN



Rudy Phillips

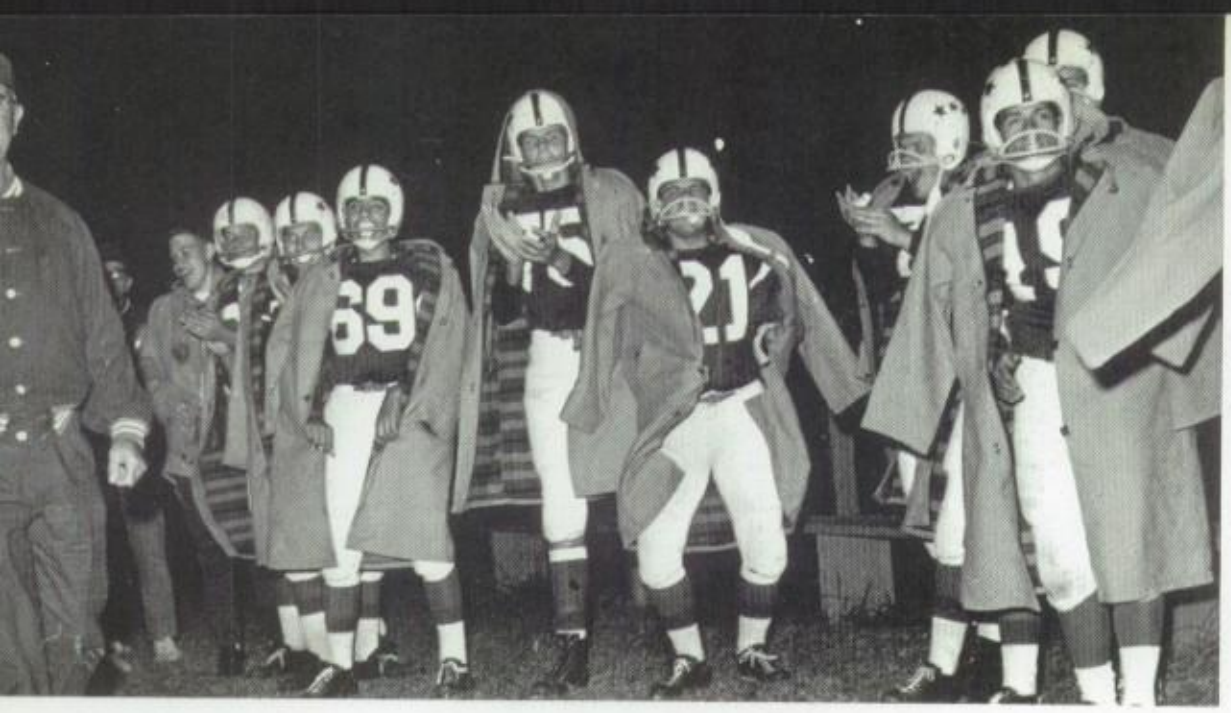
"Everyone's All-Stater" is most descriptive of Rudy. Rudy's rare combination of above-average physical ability and a well-balanced, modest personality have made him popular with faculty and students alike. Rudy also received the extreme honor of being placed on one of the "All-American" High School Football Teams. Congratulations to a fine athlete.

Typical General Co-Captains, Rudy and Steve Kiss said; "We'll lead — you follow," *AND THAT THEY DID.*

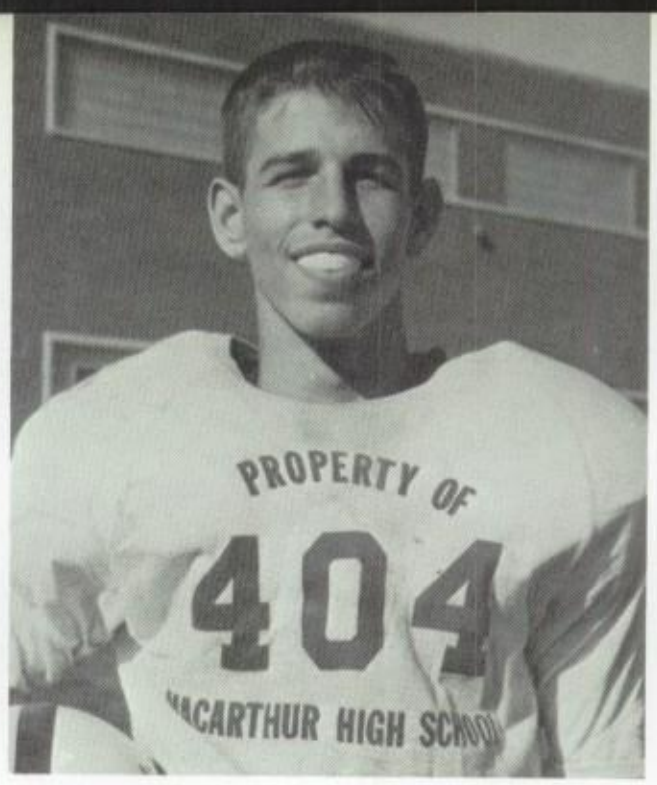
ALL-CITY

SEATED: Steve Kiss. *STANDING:* Lyle Honnold, Phil Carr, Larry Doolin.

We at MacArthur would prefer not to think of these players as outstanding, rather, that these boys exemplify the spirit of the "GENERALS." They, like all football players must acquire that difficult combination for players to master — the transition from tough combatant to gentlemen student: that quality which leads men to say "I want these boys in battle and would be proud to call them son."



Yea!



Nice teeth, Renner.

MAC'S 1962 AND 1963 VARSITY CAGERS

The MacArthur basketball team has played very credible ball in representing the school. It should be observed that the General's schedule has included some of the best teams in the state and that in no case have scores been excessive. Coach DeMoulin and Coach Turner have again turned out a well drilled, capable group of boys.

REFLECTION ON ORGANIZATIONS

at school and in future years. Here's to a very wonderful guy (CLICK CLICK!) and
ways. May much luck, success, friendships, and happiness be your coat and
class sometimes and remember...!! God bless you, Steve, and may He fill you

Steve -

After a friendship like ours how does one start. I have so much enjoyed most of the many months that I have been at MacArthur, and time has gone by so quickly. In fact, it is very hard for me to realize that you are a junior and that I am going to graduate in twenty days. As I said before, I have many wonderful memories in connection with MacArthur and you have added some of these times. About that [illegible] I never dare - some or later I suppose. There are so many incidents flashing through my mind at the present but it is unnecessary to put them down because they are things which neither of us could ever forget. - Besides that, certain things need not be written because they can be sensed. Our relationship, for example. I think you are one terrific boy, a riot to be with, a serious friend when problems arise, (as in Hist - composition - [illegible]) and an all-around terrific friend. I shall never, ever forget you, Steve - we have been through thick and through thin and we have always managed to come out on top together. Need I say more - You should know by now that you are a part of my high school days - days that I shall never forget. Of the ones long and wonderful acquaintance - what remains - only one thing - the future. I shall be leaving MacArthur in a matter of days but as I enter college and settle down to that routine my thoughts will wander back to MacArthur and in MacArthur shall see you and remember our times together; Even though you will not be for me to say "Hi Steve" you shall always be in my memories. True, am anxious to graduate but every Senior feels that he is leaving something very when he has that diploma in his hand. As before - what remains - ?! Now ve, I want to wish you the very best of luck in your last year 's to a friendship that can remain as is now even as we both go our separate ways life be filled with all you could ever desire. Take care, Steve, think of me e with all that is good for you.

As Always -

ORCHESTRA

The MacArthur Orchestra has completed another fine year under the direction of Mr. Werner. They gave two main concerts this year, a classical one in the fall, and the Pops Concert in the spring. Their programs met with great success. Orchestra members deserve special praise for their fine work. This year the Mac Orchestra took their annual trip to see a stage show and to hear a nationally-known orchestra concert.

MacARTHUR NATIONAL HONOR SOCIETY

The National Honor Society, a nation wide organization, has a chapter at MacArthur. The four main requirements of the group are scholarship, service, leadership, and character. Juniors and seniors, with a 4.5 average and a 4.4 average respectively, meeting these set standards are inducted into the chapter each spring. The N.H.S. members serve as guides and ushers in many school functions such as Freshman Orientation, Baccalaureate, and Commencement.

RUSSIAN CLASS TAKES TO THE LANGUAGE LAB

The addition of Russian to the foreign language curriculum at Mac Arthur made it necessary to organize a Russian language club. Approximately twenty-five students enrolled in the course participated in the activities of this year's club.

The meetings began in January and were held once a month in the home of Mrs. Jensch, club advisor. All meetings were conducted as much as possible in the Russian language, and club activities were geared to give the students an opportunity to discuss questions raised in the class during the month concerning Russian life and customs.

STUDENT COUNCIL GENERAL MEETING

MacARTHUR STUDENTS SPEAK OUT

Mac's student government had a very successful administration this year. Their "New Frontier" program consisted of bringing fruit machines to our hallowed halls, sponsoring a gift program for Jacksonville State Hospital, and bestowing the honor of "Ugly Man" upon a prominent student.

One of the main goals of the student council officers this year was to strengthen the relationship between council members and student body. This was partly accomplished by giving a free dance, "Blue Illusions," for Mac's students.

SITTING: Sue Lashbrook, Vice-President, Nan Gustin, Treasurer, Nancy Mechtoldt, Secretary. *STANDING:* Lynn Clarkson, President, Jay Loeb, Parliamentarian, Bob Highsmith, Sergeant-at-Arms. Not pictured: Courtland Moody, Sergeant-at-Arms, Penny Stites, Historian.

Steve,
I hope you know how much I think of you- you are so very nice and funny and wonderful. I wish that it would always be possible to have such friends as you. Thanks so much for all you've done for me. I hope we are always such good friends.

Lucy

OUR FINAL REFLECTIONS

Steve,

You said to write you a whole page, and I almost think I could because of all the things we've done together this year. Just because I didn't write on your page labeled "Royal Subjects" don't get the wrong idea I am still your loyal follower and humble servant!! How can we ever forget all the things we've done this year — playing West Side Story at Wendy Miller's party! haunting the haunted house, writing our famous will, driving to Los Cowtaes, walking across Iron Bridges (remember that big whole I almost fell into?), and all the other millions of things we did together this year.

Steve, I consider you one of my very closest friends and I hope you feel the same way. It's been fun this year and I hope we can do just as many things together and have just as much fun during our Senior year next year. The friends you have in your Senior year are usually the ones you keep throughout life and I want for you to be one of those friends — always. Always stay your same delightful self. Okay, KING!?!

Love,
Marcia

We sincerely hope that this Cadet truly reflects our 1962-63 school year. We wish to thank Mr. J. J. Maurer our capable photographer, for the wonderful pictures he took and developed. We also wish to thank the following for their fine cooperation and help: John Straub and Mrs. Juanita Cunningham of the American Yearbook Co., and the Lindquist Studios.

Stephen Darling -

To the most beloved
thing I hold dear to
my heart. Really Spangles,
I've had "D" much fun
getting to know you so
well this year. I think
you're one of the sweetest
guys I'll ever meet. I rem-
mber how I hated you
last year when I liked
Doug. How wrong could
I ever be! You're actually
one of the most riotous
(word!) people I could ever
hope to know. We have
some pretty cool memories
like the gasoline out by
Potzgrall's and the grave
yard. Then there was
our will and plans for a
mass funeral. Those times
were so much fun! Rem-
mber when we were going
to those 3 bridges and
Leland caught your

head in the back
window? "Poor Steve!"
Then there's always
the haunted house
and the day Erickson
went through that
hole and splattered
our car all up! Take
it easy with the
fish eyballs in the

Steve,
I can think of many nice things to say about you but I don't have time to write them. Just keep on being like you are

WE LOOK TO THE FUTURE

This is the day
Our class has long been waiting for
This is the hour
That we shall say good-bye
Our high school days
We'll cherish in our memories
That always were so fine
Now at this time
We have to bid our fond farewells
And with a smile
We leave the past behind
Past is the day
That brought us all together
Near is the hour
For our last good-bye
This is the school
That helped to set our goals in life
This is the hour
We never will forget.

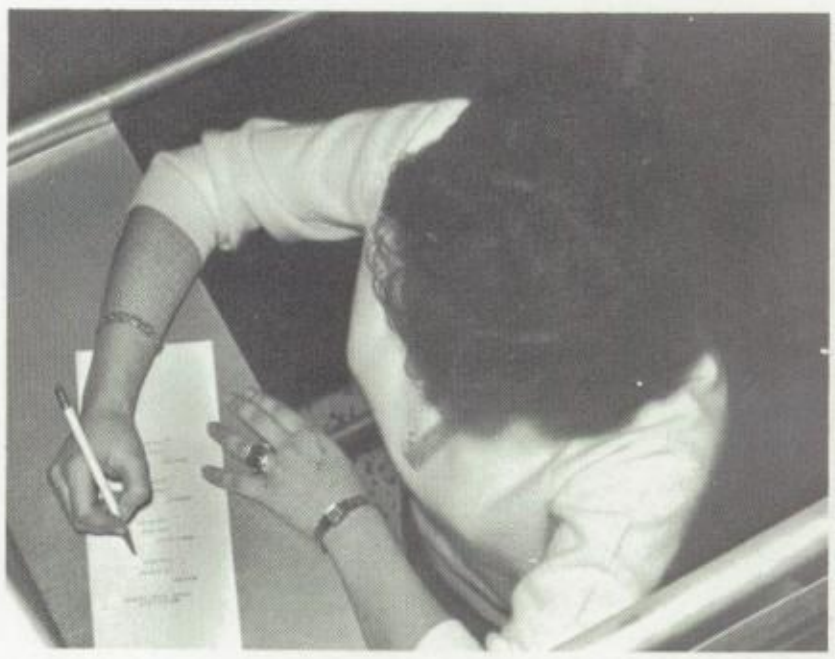
STUDENT COUNCIL ELECTIONS

A vigorous campaign is underway.

Expectant voters are checked by the registrar.

A council of students is most important to the life of the school. It is through this channel that student opinion is best expressed and a mutuality between faculty and students may be obtained. In light of this importance, the officers of the Student Council must be chosen with great care and consideration. Congratulations to the 1963-64 officers! You have been well-chosen.



Decisions! Decisions! Decisions!

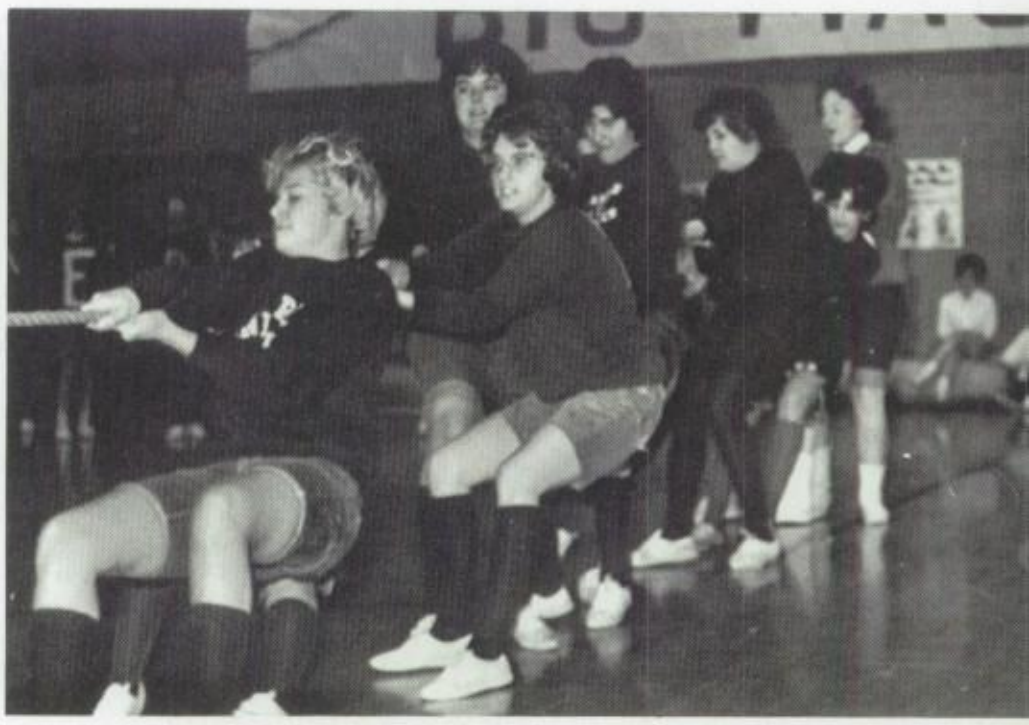
BIG MAC DAY AND SADIE HAWKINS DANCE

Who would ban the mature male?



Senior girls pull to victory.

Senior captains receive winner's certificate.

Big Mac Day is held annually to promote school spirit by means of class tags and inter-class athletic competition. This year the senior class captured all honors by winning both basketball games and tugs-of-war.

Highlighting the Sadie Hawkins turn-about dance was the election of a senior L'il Abner and Daisy Mae. Money raised by tickets and penny votes was donated to the AFS fund.

Sadie Hawkins Royalty — Steve Kiss and Clare Fidler.

Sylvia Lemen and Lynn Clarkson —"Best Dressed."

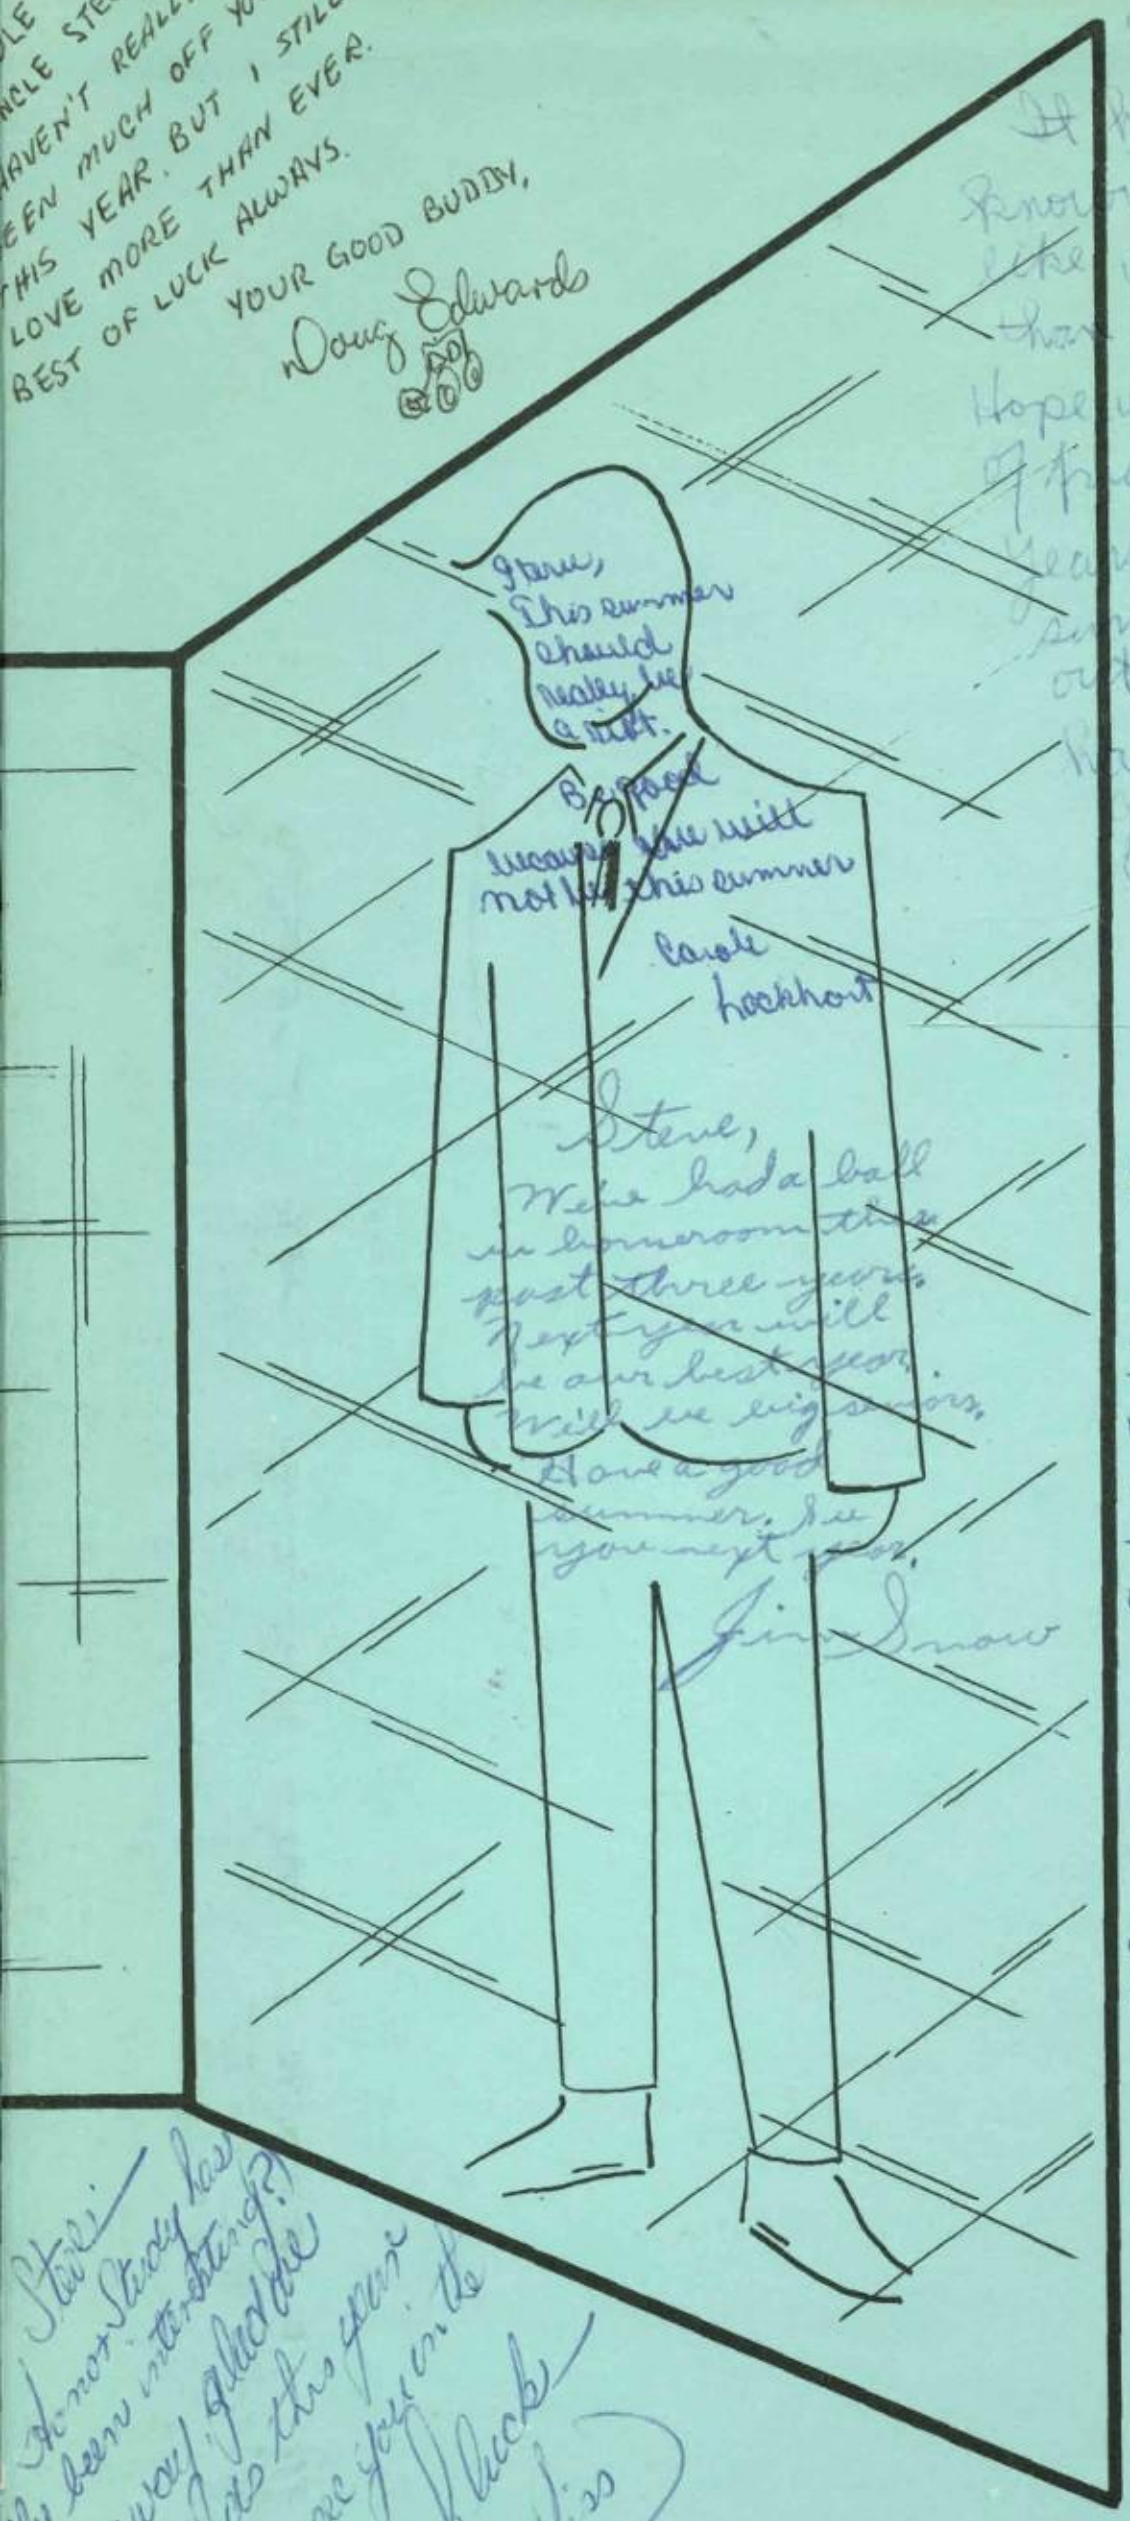
EEN MUCH OFF YOU
THIS YEAR. BUT I STILL
LOVE MORE THAN EVER.
BEST OF LUCK ALWAYS.

YOUR GOOD BUDDY,

Doug Edwards



Steve,
It has been fun knowing a big boy like you (even smaller than me) this year. Hope we can be the best friend in the coming year. Be good in the summer and watch out, because I will have my license. Good luck next year as a senior.

Steve ——
Thanks for the riots — I'm so glad I met you - You always manage to perk me up when I'm blue- (like the color of this page!)
Be a good senior - I know you will -
Good luck always to a great person who's one of my bestest buddies in the class of '64 -
Have fun —
Always —
Janie Balgley

Steve
It not Steady has really been interesting?
Well, anyway, glad we became friends this year and hope to see you in the future
Best of luck
